25A MAGAZINE REDEFINES what we know about luxury publications by delivering the distinctive culture of Nassau’s coveted North Shore into the hands of its readers. From social events to shopping, personalities to places, engaging interviews to reliable reviews. Our readers are in the know about what’s buzzing in our unique community. 25A features alluring, glossy ads with the latest and greatest from noteworthy local establishments such as restaurants, boutiques and jewelers that entice even the most discriminating tastes while showcasing the products and services that define the luxurious Long Island lifestyle.

25A is named for the famed route that extends from New York City along the northern coast of Long Island out to its East End. Launched in 2012 as a quarterly glossy serving the North Shore of Nassau County, 25A magazine quickly gained much well deserved notoriety. Because of this, the magazine expanded its circulation into the Hamptons and increased its frequency to 10 issues per year.

This area has a fabulous history. At the turn of the 20th century, the North Shore of Long Island, particularly Nassau County, suddenly became home to some of the most affluent and powerful people. A competition arose to outdo the next socialite and robber baron. Soon more than 600 of the world’s most prestigious mansions appeared in the area, built for and by names like JP Morgan, Vanderbilt, Roosevelt, Whitney, Woolworth and Guggenheim, to name just a few. The North Shore was the setting for F. Scott Fitzgerald’s iconic novel *The Great Gatsby*. While the story was fictional, it was based on some unbelievable yet true events. Today, the Gold Coast continues to be one of the most prominent and exclusive areas in the country to live and 25A is the only dedicated luxury lifestyle magazine to serve this market.

Heading east, on the South Fork of the Island is the famed summer playground known as collectively as The Hamptons. From Quogue to Montauk, this is another one of the country’s hot spots renowned for celebrity sightings, summer parties and even a little R & R, while still retaining some of its original New England and coastal-living lifestyle. Here the homes, restaurants and shopping are experiences in themselves.

On the North Fork is some of the Island’s most preserved beauty in quaint little villages where that Americana aura graces the landscape across backcountry roads. Today, there are still plenty of working farms and vineyards, featuring Long Island’s ever-expanding wineries that extend out to the tip of the North Fork.

It’s no wonder that each year, the Gold Coast and the Hamptons continue to top Forbes Magazine’s list of America’s most affluent neighborhoods and 25A reaches them all.

25A takes pride in delivering exclusive local content with a national flair. Our covers feature prominent celebrities while within our pages, a variety of content includes high-end fashion, interior design, real estate, luxury cars, yachts, luxury travel, art, food and events.
